## Today is Homeless Day on the Hill!

We are proud to have a group of Solid Ground staff, residents, and supporters participating in this year's Homeless Day on the Hill! This day at the Capitol day includes advocacy training, legislator meetings and more.

Want to advocate, but weren't able to make it? You still can!

This Minnesota Coalition for the Homeless has issued an action alert for TODAY. Call Rep. Tina Liebling, Chair of Health and Human Services Finance Division at 651-296-0573 to encourage her to support House File 1043 which includes investments from emergency services to long-term supportive housing. Here is a script to guide your call:

*My name is [your name] and I live in [your county/city]. On behalf of 30,000 families accessing MFIP, thank you for carrying House File 799 over for possible inclusion. Please continue to fight for these families and children until the end of the session.*

*Please support House File 1043, which includes investments from emergency services to long-term supportive housing. Homelessness has no home in Minnesota. Thank you.*

Please let [Matt@mnhomelesscoalition.org](mailto:Matt@mnhomelesscoalition.org) know when you've made your call. Thank you!
