DINNER & AUCTION

About Solid Ground:

Solid Ground is an award-winning nonprofit whose proven, holistic approach helps families break the cycle of homelessness and poverty. Serving over 340 families annually, Solid Ground's mission is to prevent and end homelessness for families with children through housing, resources, and opportunity.

This year Solid Ground's **Bring It Home** Dinner & Auction is **For the Kids!** Please join our premier fundraising event as we celebrate families breaking the cycle of homelessness for the next generation!

For the past 11 years, this event has brought together over 200 people passionate about ending homelessness, and this year our focus of the evening is **All About the Kids**, and the wrap-around support services that support their long-term success!

The Fund A Need portion of this year's event will benefit over 528 children in Solid Ground's housing – **180 under the age of 5 last year!**

Solid Ground's unique and innovative program model gives each child the individualized help they need to be successful. Our Children's Services Team, Tutoring Coordinator, and Family Advocates are laser focused on each child's long-term success. Ending homelessness starts with a home – ending with hard work and comprehensive wrap-around support children need to thrive. **With your help we can change our children's future!**
