Our Programs

Too many families are struggling right now: either at risk of being homeless or already experiencing homelessness. **For 40 years, Solid Ground remains the solution.**

Since 1987, we've provided a path forward for thousands of families in our community. We offer three programs to address homelessness.

Homelessness Prevention

We stop homelessness before it starts. With assistance, such as past-due rent, utilities, and first month's rent and deposit, we provide tangible support to families. Prevention keeps families safely in their homes.

Time-Limited Supportive Housing

For families and youth experiencing homelessness, and often domestic violence and/or substance abuse, we offer short-term safe, affordable housing paired with holistic, wrap-around services tailored to each family's needs.

Permanent Supportive Housing

With barriers like chronic homelessness, disability, and illness, we provide families a home for as long as they need. They receive services that help them pursue employment, education, and long-term wellbeing.

“

Solid Ground helped out a lot. They brought me dishware, blankets, offered assistance with rent, electrical. My children are doing way better. Even the teachers see the improvement. My hope for my kid's future is to see what their dad went through to get them on the right path and be better. You can go through anything as long as you have faith and determination.”
